History

Mid C17 bridge with stone on parapet wall bearing the date 1642; largely reconstructed circa 1850.

Exterior

Bridge of 2 spans with segmental arches of voussoirs with pendant keystones. Built of coursed stone with dripcourse and raking stone slab parapet coping. Stepped semi-circular cutwater on both sides between the arches and flanking raking buttresses. On the W side of the E parapet is a carved panel with the date 1642 flanked by a hammer and trowel, the date on the upper part of the panel has been chipped off, but is said to have been 1850.

Interior**Reason for designation**

Listed as an excellent and substantial mid C17 roadbridge.

Scheduled Ancient Monument: ME026
